Calling all Non-Catholics & Catholics! We'd like to invite anyone that has not participated in Discovering Christ to join us for the RCIA Period of Inquiry. During this time we will include the 7-week Discovering Christ Series -- *no commitment to join the Catholic Church.*

Please extend this invitation of developing a personal relationship with Jesus Christ to anyone you may know. ALL ARE WELCOME!

To learn more about this exciting program that has been going on in our parish for almost two years now, simply go to our website and see some of our St. Paul parishioner testimonials

During this Period of Inquiry we will explore topics such as:

- 1. What Is the Meaning of Life? (go to our website to view a preview of talk 1)*
- 2. Why Does Jesus Matter?*
- 3. What Does Jesus Want Us To Know?*
- 4. Why Do We Need a Savior?*
- 5. Why Is the Resurrection Important?*

Register online today or call the office if you would like to speak to someone about this program!

In an effort to be better stewards of our Parish properties we are implementing a written policy for guidelines, expectations and protocol for use of the Family Life Center. We want this to be a smooth transition with everyone fully informed of the new guidelines.

This policy affects all persons and groups, within the Parish, and outside the Parish, who wish to use any room in the Family Life Center effective August 1, 2017. We will have separate policies for parish activities and outside activities, however parish activities will receive priority in the event of a scheduling conflict. We will soon publish the Family Life Center Guidelines and have copies available so that all will be aware of the specifics. All users will be required to sign a user agreement and follow all procedures and rules as defined in the new Family Life Center Guidelines.

Everyone must make reservations to use any space of the Family Life Center facilities, including recurring meetings and events. A significant new requirement is having a trained Kitchen Coordinator on site during all events held in the Family Life Center. Therefore, we are holding a Kitchen Coordinator training on Saturday, August 12, 2017 @ 9:00 am. Any parishioner is welcome to become a trained Kitchen Coordinator and be involved in assisting groups who hold events in the Family Life Center. We especially encourage each parish group to have at least 3-5 members become trained Kitchen Coordinators.

If you have any questions, please contact our new Family Life Center Coordinator, Cecilia Carlton, in the church office 601-992-9547 or by email flc@saintpaulcatholicchurch.com
