Twenty-seventh Sunday in Ordinary Time

*To Live as the Body Of Christ*

*As we move along in our growth and development as Church Community, we are especially blessed by the experience of ChristLife in our Parish. An extraordinary number of people have worked on their personal relationship with Jesus through the Discovering Christ Series. Now, we are blessed to have so many people engaged and participating in the Following Christ Series.*

*Our natural hope and expectation is that we will have many more people join us in the action phase of Following Christ by signing up for one of our many Ministries in the Church — especially one of the Ministries “Around the Table” in the Liturgy. A booklet listing all of the available Ministries will be available to you in the next week or two. You may select one Ministry from “Around the Table” and any number of other ministries listed in the other sections. We are asking you to take the booklet home with you, and pray about what area of Ministry Jesus may be inviting you to! One thing we are confident about as a growing Faith Community is that the Lord will certainly call sufficient people to care for all of these important Ministries in our Church Family.*

*Whether people respond or not becomes a question for each of us, individually.*

*Our word for the month of October is **PERCEPTION**. What an appropriate word with our Ministries Fair just around the corner! There has somehow been a prevailing **PERCEPTION** in the Catholic Church that there is always enough people to fill all of the Ministries in the Church. That is not the case! This **PERCEPTION** has often led to people saying, “Oh, there are plenty of people already doing this Ministry or that.” Others have said to me, “They don’t need me. They have all of these other people — I see them all the time.” That is not true — that can just be my excuse!*

*Prior to the Second Vatican Council, there was a **PERCEPTION** that we didn't need the help of the congregation except members to take up the collection and someone to do the Sacristy duties. That was pretty true! The motto or model was to limit the number of people involved or engaged. The altar rails seemed to serve as a declaration — this far, and no farther!*

*Thank God for the Second Vatican Council and its emphasis on the Role of the Laity in the Church! We began, slowly I might say, to move from the adage “as few as possible doing all” to “more people doing less.” We now encourage all people to be active and engaged in the Communal Celebration! The Eucharist is no longer my private devotion, but rather a celebration of the communal faith of the gathered assembly. We have made great progress, but much more remains to be done.*

*It is the essence of what Saint Paul says:*

*“Just as a human body, though it is made up of many parts is a single unit because all these parts, though many, make one body, so it is with Christ.” 1Corinthians 12:12*

*We are one body, but not all have the same gifts. One may have the gift of speaking or reading well, another the gift of administering well, another the gift of welcoming, another the gift of serving others. But all gifts serve the Body!*

*The sign of a healthy Church is identifying which gifts are most suitable in which places, with which individual. Let us do that well!*

*—Fr. Gerry*

The Ministry Fair will be October 22/23 in the gym after all three Masses.  
You will be provided the opportunity to respond and sign up for specific Ministries.
