

**NOW IS OUR TIME**

**2020**

*Jesus asks us, "Who do you say that I am?"*

**Here is my promise, Lord:**

**I commit** to look for the face of God in every face I see.

**I commit** to respect and act with empathy and compassion toward all, especially those who are struggling, and those whose beliefs, values and lifestyles are different from mine.

**I will do my part** to stop the spread of the virus, prejudice, racism, poverty, and negativity.

**I can only do this through You, with You, and in You, Almighty God, in the name of Your Son, Jesus Christ. Amen.**
