

St. Paul Catholic Church – My Own Church (Parishsoft Family Suite)

Thank you for taking the time and creating an account for St. Paul Catholic Church. Having access to My Own Church will allow you to:

Manage your own church records and keep personal information accurate and up to date.

For example, members who move or change phone numbers can quickly and easily log in and update this information for themselves. No need to call the church, fill out and submit paper forms, and then wait for someone at the church to update their records.

- Add a record for a new family member.
- View their personal giving history.
- Upload a family photo and individual photos of individual family members.

If you have any questions, please contact Renee` Carpenter 601-292-6086 records@spaulcc.org.
